

Chawla Tanneries was established in 1980 in Kasur, Pakistan. *Kasur* has been a major center of leather tanning for centuries in this part of the world. Our family history of leather business goes as far back as 1850.

We offer large collection of articles from Goat and Sheep for our customer's selection in all popular finishes including Aniline, Semi Aniline, Glazed, Metallic, Pull ups, Waxed, Vintage, Nubuck and Suede-Water Repellent & Washable in

Full Chrome, Full Vegetable and Chrome & Metal Free

tannage for Shoe uppers, Linings, Bags, Garments, Gloves and Leather goods.

We like our customers to look at us as their offshore partners. We work closely with them, developing leather and finishes. Our diverse production capability allows us to fully cater to the specific and customized needs of our buyers, so that they may offer products that are excellent values to their customers.

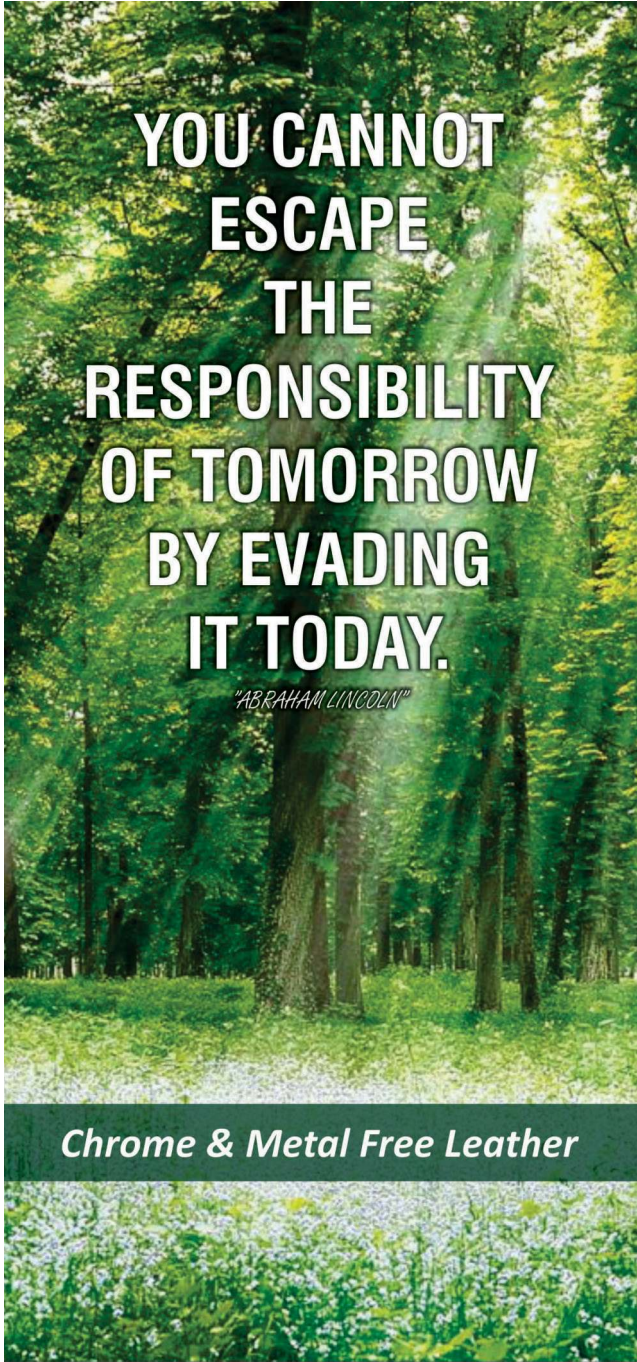

As per policy, our commitment to service pervades all management functions; therefore, we will continue to strive to satisfy our customers vis-à-vis their quality requirements, delivery expectations and pricing structure.
